Congressman Larson’s FY 2010 Federal Funding Requests

President Barack Obama and Congressional Democrats are committed to providing our citizens with a transparent and honest approach to federal funding requests.

The local projects requested by Congressman Larson will help grow Connecticut’s economy, create jobs and protect our constituents.

By clicking on the link below, you will find descriptions of the programs this office has requested funding for on behalf of the constituents of the First Congressional District.

Fiscal Year 2010 Federal Funding Request
