Chair DeLauro and Ranking Member Granger:

“I am requesting funding for Hartford Care Response Team-Violence Prevention Enhancement in fiscal year 2022. The entity to receive funding for this project is Hartford Communities That Care, located at 2550 Main Street, Third Floor, Hartford, CT 06120.

The funding would be used to build capacity for the Hartford Care Response Team, a Hospital-linked Violence Intervention Program (HVIP) that has since served more than 1,200 victims of gun violence and their families. Funding will support the hire of six full time intervention specialists, two fulltime lead intervention specialists and one fulltime data entry specialist, as well as pay for materials and office space.

I certify that neither I nor my immediate family has any financial interest in this project.”

Sincerely,

John B. Larson
