The Honorable Tom Cole
Chairman
House Appropriations Committee
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Victim Impact project in fiscal year 2025. The entity to receive funding for this project is Mothers United Against Violence located at 2550 Main Street, Hartford, CT 06120. The funding would be used to provide access to families who have been victimized by gun violence and will continue to interface directly with the criminal justice system and help create ways of communicating with the police department.

The project is an appropriate use of taxpayer funds because gun violence has had a major impact in our communities, especially in urban environments, disrupting the the day to day lives of residents. Funds will be used for programmatic and support services for the underserved community.

The project has a Federal nexus because the funding provided is consistent with purposes authorized by section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

JOHN B. LARSON
Member of Congress
